

Cranmore Adjusters Limited

Cranmore Adjusters is a specialist insurance and reinsurance consultancy that was established in London in 1999. Since that time, we have become the pre-eminent provider of inspection and consultancy services to the industry globally.

Our key objectives & strategy

Our goal is to provide a professional and cost-effective service to clients wherever they are located or in whichever markets they are active. To accomplish that we have built a global operation with offices in the UK, USA, Bermuda, Australia and Thailand.

We aim to listen and work closely with clients to ensure their objectives are met. Our experience allows us to achieve this goal and to provide our services across all classes of business and geographical locations.

Where appropriate, we work closely with our fellow Enstar companies both in Europe and globally to deliver global solutions for our clients.

Our services

Cranmore offers a full suite of specialist services for the insurance and reinsurance community, which includes:

- Inspection of records and forensic reviews
- Claim reviews & claims management
- Binding authority, TPA, MGA & compliance reviews
- Litigation and arbitration support
- Commutation services
- Collection services (in association with Kinsale Brokers)
- Bespoke consultancy & project management

- Bespoke training services & education

More details of the services that Cranmore provides can be found at www.cranadj.com which includes links to all of Cranmore's global offices.

Our track record

The growth of Cranmore in the last 10 years is a truly international story, including Lloyd's syndicates and companies from every major continent and every major insurance market. The breadth and depth of our client base is demonstrative of the quality and cost-effectiveness of our services.

Our clients include insurance and reinsurance companies based in all the major markets of the world. From our various offices our staff have conducted reviews in Africa, Asia, Australia, Bermuda, Canada, Europe, the Middle East, New Zealand, the UK, the USA and the West Indies.

In addition to our front-line specialists, we can call on additional resources in the Enstar Group to provide particular specialisations, technical back-up and language support as required. Overall, our staff have over 300 years combined consulting experience in the insurance and reinsurance industry.

> Enstar Group Limited brings global expertise to identifying, quantifying and rapidly releasing capital.
